GARDENERS, ATTENTION!

To the Market Gardeners:—

Upon the results of the seed you plant depends your living. The price of seed is nothing compared with the returns that good and reliable seeds will bring. The seed business differs from nearly all others, from the fact that after the seeds are sown weeks must elapse before their real value can be determined. For this reason the exchange of seeds between buyer and seller must always be entirely a matter of confidence, and that confidence, we believe, can only be lastingly held by such seedsmen as test their seeds before selling; and who have the practical experience to accurately determine when they are right. Our own practical experience of eighteen years in the seed business, and particularly making a specialty of market gardeners' trade, impresses upon us the fact that the best is none too good for those whose living depends upon profitable crops, and we assure all our old as well as prospective customers, that your orders will be as carefully and conscientiously filled as though we were going to plant the seeds ourselves, for upon the results of the seeds that we sell you depends our future. Think this over and surely you will realize that it is ever to our interest to send you nothing but the best. In this, our special wholesale price list for those who grow for profit, we present for your consideration special low prices on garden seeds, quality considered. For Garden Tools, Implements, Seeders, Sprayers, Dusters, Glazing Material, Insecticides, Fertilizers, Flower Seeds, Grass Seeds and Poultry Supplies we refer you to our General Catalog. Same will be gladly mailed or given to you for the asking.

We thank you for past favors and ask for a continuance of your esteemed patronage.

Yours truly,

FRANK E. RUE COMPANY,

Peoria, Ill., Jan. 1, 1912.

HOW TO ORDER.

PLEASE USE ORDER SHEET ENCLOSED, and thus avoid mistakes. Extra order sheet furnished upon request.

WHEN TO ORDER. Order early as quantity on some varieties is often limited.

SIGN YOUR NAME. Name and address should be written as plainly as possible and care exercised to have Postoffice, County and State in full. If your express office or freight depot has a different name from your postoffice, give that also.

OUR TERMS ARE STRICTLY CASH WITH THE ORDER. We do not send C. O. D., as the cost of collecting return charges is quite an unnecessary item of expense, and the prices being given, we can conceive of no necessity to warrant goods being so sent.

HOW TO SEND MONEY. Remittances may be made at our risk by any of the following methods, viz.: **Postal Money Order, Draft on New York or Chicago, Express Company's Order, or Stamps for small amounts.**

DISCLAIMER. While we exercise great care to have all seeds pure and reliable, we sell no seeds with warranty, express or implied, in any respect, and we will not in any way be responsible for the crop. If the purchaser does not accept the seeds on these terms they must be returned at once.

FRANK E. RUE COMPANY, Seedsmen.

LONG ISLAND CABBAGE SEED

The cabbage seed that is offered in this price list is all selected and has been most carefully grown and selected from specimen heads of the different varieties, carefully rogued, and each variety grown apart from the other so as to avoid any chance of mixing. Grown by the best and most reliable cabbage grower in the country and exclusively for us, and has been personally tested as to the germination. As to the price, on account of our dealing direct with the grower, and not with other seed houses, we are able to offer the best seeds that can be procured and at reasonable prices, and we are sure you will be convinced that what we say is true if you favor us with an order.
